WHAT TO EXPECT IN A LIVE VIRTUAL CLASS

These are live instructor-led classes that are held virtually. The course will allow you to get the full benefit of a live instructor teaching a course without the travel time or expense. You are able to interact with the instructor and ask questions all from the comfort of your home or office. In order to participate, you are required to provide a computer or tablet with high-speed internet, webcam (visual attendance required), full audio via phone or computer, and a quiet place to access the online course that provides little to no distractions.

Please be aware that if you are using these course(s) for licensing you will need to take (and pass with a 70% or higher score) the proctored open book multiple choice question exam with a verified proctoring service. Once you complete the course, you will be provided instructions on how to take the proctored exam.

Who Should Attend? *Technicians, service and installation personnel, sales staff, and business owners.*
